Parent's Declaration

I am taking admission of my ward to 'Manthan State Level General Knowledge Exam' (MGKE) voluntarily, through this application form. I am aware of admission to this privately conducted exam will be for his/her educational growth and will stand as a foundation for his/her preparation for various competitive exams being held in future. The difficulty level of this exam is supplementary to school curriculum and hence, there will be no adverse effect on candidate due to extra stress of study. Beyond this, I am aware that there will be no bad effect on his/her daily school routine and no burden of school bags as well. I know, any government component related to educational system will not be responsible for this exam. I am not forcing or burdening my ward for exam as I know exam is voluntary and all rights regarding exam are reserved with manthan welfare foundation (cancellation of exam, finalisation of syllabus standardwise, Exam fee, Decision about declaration of prizes and the rights of rest all subjects regarding exam). All the instructions/Rules/Conditions (on the back of this page) regarding exam and the decisions changed timely by exam management will be always agreeable to me and are mandatory to me and my ward.

16. **'Manthan Welfare Foundation'** is an autonomous, registered institution led to social responsibilities, commitments and welfare and so, they have rights to plan or change the exam schedule as decided by institutional exam committee.
I have read authority letter given to **'Manthan Welfare Foundation'** issued by Dept. of School Education, Government of Maharashtra for conducting exams at school levels and understood thoroughly. As a parent/guardian, I am paying exam fee ₹ 50/- only voluntarily & I got the acknowledgment of form submission.
17. The amount spent by me for buying extra material of exam (Guides, paper sets for practice, private coaching classes, online classes & online Tests etc.) is not related in anyway to the fee of exam being conducted by **'Manthan Welfare Foundation'**. I am aware of things and buying this educational material on my own, for enhancement in educational quality of my ward.
18. The difficulty level of this exam is supplementary to school curriculum and hence, there will be no adverse effect on candidate due to extra stress of study. Instead, I know it will lead to the growth/enhancement in educational quality and study of candidate. The Manthan Welfare Foundation does not determine the quality or study ability of the examinee in any way. It does not make any negative comments while determining the intellectual level of the students. Therefore the Foundation denies the responsibility for any mental pressure that may come on the examinee in connection with the examination. Parents / Guardians should always be aware of this.
19. As a parent/guardian, it will be my responsibility for omission/exclusion of my ward from exam at any stage throughout the exam process, for providing wrong information in application form either online or offline. I know, under this situation, no exam fees of my ward will be refunded to me.
